

Campus

The campus of Northeast consists of 117 acres and eighteen buildings. Two large, lighted directional signs, each with a campus map, are placed in strategic locations for the assistance of students and visitors. One of these signs is located just off the front parking lot, between the Pendley Administration Building and the quadrangle. The other is near the east entrance to the Student Center, between the Learning Resources Center and the Business Education Building. Additionally, a sign at the entrance to each building displays the building name and the corresponding two-letter code used to identify class location in the schedule of classes each term.
